Athletic Football Club Southampton Refund and Player Release Policy

Athletic Football Club Southampton (AFC) strives to provide a value-based soccer experience for our members and players. As such, our ability to offer quality

services and to operate is dependent upon our members' full commitment to the Academy and their team and members paying all Academy Tuition and fees in a timely manner. Our budgets are based on the number of registered players and projected/estimated-operating costs based on level of competition, age group, and individual team needs.

Once a player has committed to a AFC team and has met all requirements for registration, it is expected that the player will remain with AFC for the duration of the playing year and that the player and player's family will be responsible for all AFC Tuition and fees.

AFC recognizes that many situations and circumstances can develop during a soccer playing year that impact a player's ability to participate fully with a AFC team and that for many circumstances a player or player's family may wish to have a full or partial refund of dues or fees returned for lost playing time or other extended absences of participation. Due to the budgetary structure of AFC, we will only provide refunds and/or relief of Academy Tuition and fees under the following circumstances:

1. Player relocates his/her primary residence more than 50 miles during the playing season have proof of address change lease or purchase agreement
OR
2. Player's original team has officially folded and all player passes have been collected and returned to AFC

In these circumstances, AFC will refund, or provide relief for, prorated Tuition and fees based on the number of practices/games the team was scheduled to participate/play (league and tournament) minus any non- refundable amounts.

Concerning a player's release from the Academy during the playing season, the requesting player/family must submit a written request for release stating the basis for such request to the AFC Board of Directors. The decision of the Board will be final in all cases.
