

Heavens Eleven FC

Healthy Snack Policy

[Nutrition Tips for Coaches – Healthy Snacks](#)

Purpose:

To encourage healthy eating habits in Members of the Heavens Eleven FC community.

Policy:

The Heavens Eleven Football Club is committed to helping improve the health of Members of our community. In light of increased obesity in children and adults, the Club has the opportunity, through its staff, adult coaches, players, referees, and volunteers, to promote and model healthy eating practices.

Therefore, we actively encourage parents and coaching staff to pack healthy snacks for team practices, games, and tournaments. This policy applies regardless of the level of play (House League or Competitive), or whether the match or practice is in Greater Toronto Area or Peel Region or outside the area.
